

# Kindergarten school supplies

## 1 large backpack

- Please, no small character type packs. They are typically not large or durable enough for use in kindergarten.

2 Wide-lined spiral notebooks 80-100 pages

1 basic color watercolor paint set

6 sharpened no. 2 pencils

1 large eraser

1 pack of crayons-24 count

1 individual covered pencil sharpener

1 bottle of white school glue

1 school scissors

1 pocket folder

1 box of facial tissue

1 easy open small school pencil box, standard flip-open lid

1 large canister of antibacterial cleaning or hand wipes

1 folding type kinder sleep mat\*

Gym shoes to use only indoors

Placing your child's name on their items will help greatly.  
Thanks.

\*Talk with a parent of a former kindergartner to see if they are able pass along their previous one to you. Thanks!

For ease of use, cleaning, and storage, kindly consider getting a folding-type plastic/vinyl mat. I do have a few in good shape to lend for the year.
